ARROWMEN... We need your help.... Come to the Spring Ordeal and help our candidates go through their Ordeal. Join us April 23<sup>rd</sup> - 25<sup>th</sup>, 2010, at Camp Pico Blanco. You can help out by volunteering as an Elangomat, assist the ceremony team with preparing the ceremony site and much more! And you'll have a great time too. Come down to camp and enjoy the fellowship and seeing all your friends from Esselen Lodge. Have you heard the news about all the OA programs being offered by our lodge this next year?? Come down & check out what's been going on. This is going to be our best year yet!

You don't want to miss a minute of the excitement and fun. Events begin Friday night at 7pm with a friendship fire and finish up on Sunday morning after the Chapter meetings (1pm – to avoid marathon-related delays). Also during the weekend we will

have Chapter Gatherings, and other surprises. If you can't attend the whole weekend, then come down Saturday night for the FEAST - it's just \$10.00. Come on down up to Pico Blanco Scout Reservation...we're gonna have a blast! We'll also be selling our brand new OA T-shirts – based on our wicked NOAC design. All Arrowmen: Pack your gear for car camping. You'll need your sleeping bag, etc. Be sure to dress warm, bring your full Class-A uniform, OA Sash, and camping gear. If you don't have a current Annual Health and Medical Record on file with the Lodge, please fill out the enclosed form and bring it with you as well.

If you have any questions or would like to help out, give Nick Surber a call at (831) 479-8374 or Don Hagerty at (831) 722-6492. Thanks a lot and we'll see you at camp on Friday night.
